Re: Facility No.: 1050281-004

Dear Mr. Burnett:

The Department has received the Title V General Permit Notification Form for the dry cleaning facility that you submitted on February 12, 2008.

Pursuant to Florida Statutes section 403.814, the authority to operate under general permits commences thirty days after receipt of the registration form unless you have been notified by this office that your facility has not shown entitlement to operate pursuant to the rule provisions.

For your information, authority to operate pursuant to Rule 62-210.310 expires after 5 years. Therefore, a new registration form must be received no later than 5 years after the date your notice was received as indicated above. If your general permit rule conditions require testing, such testing must be completed within the time frame specified in the rule.

If you have or expect to have any changes in your mailing address, location address, responsible official, or phone number, please notify the Department at the following address:
