Pat,

Am this forwarding on to you and Kathleen, so you can close out your records and Kathleen can scan into e-files for **ARMS ID# 1050403-002-AG**.

Danielle,

Since this is a "surrender" of the AGP registration, and not just an change in the Facility status to INACTIVE, the expiration date of the PA project #002 should be changed to reflect the effective date for the AGP to be surrendered, or the date of the request of the surrender. I have gone ahead and changed the expiration date in the PA screen to reflect the date of the letter January 25, 2012 as it will suffice as the date of surrender.
