Subject: Termination of Air General Coverage Hanson Pipe

Dickson,

Per our telephone conversation earlier today, please find attached Hanson's letter requesting termination of coverage of the Concrete Batch Plant Air General Permits at the Bradenton and Venice facilities. I have included Ms. Debbie Telemeco-Anders of Sarasota County as part of this notification as she has been my contact at the local air quality program for the Venice facility.

If you have any questions, please feel free to contact me.

Thank you again,

Charles J. Piwowarski

February 29, 2008

Mr. Dickson Dibble
FDEP Division of Air Resource Management
2600 Blair Stone Road MS 5510
Tallahassee, Florida 32399-2400

**RE: Concrete Batch Plant Air General Permit Notice of Termination
Hanson Pipe & Precast SE, Bradenton - Permit No. 0810061-003-AG
Hanson Pipe & Precast SE, Venice - Permit No. 1150005-002-AG**

Dear Mr. Dibble:

Hanson Pipe & Precast SE, Inc. (Hanson) has ceased production operations at both the Bradenton Pipe Plant located at 6015 21st Street East, Bradenton and the Venice Pipe Plant located at 99 Center Road, Venice (See attached.) Hanson has no intention of restarting the operations of the concrete batch plants and silos at either facility. The remaining staff at each facility is only utilized for the loading of existing concrete products remaining from the previous operations. Hanson would like this letter to serve as a request for the termination of coverage under the Air General Permit for each facility listed.

If you have any questions or comments, please do not hesitate to contact me at (863) 421-7422.

Sincerely,

Hanson Building Products America
