Re: Cemex Construction Materials Florida, LLC  
Plant Closure  
Central Ave. North RM Facility  
1150019-005-AG

Dear Mr. Dibble,

Please be advised that due to the current market conditions the above mentioned facility has been permanently closed and the plant has been removed from the property. As a result, we respectfully request that the Air General Permit for this site be rescinded.

If you have any questions please do not hesitate to contact me.

Sincerely,

Jason Jones  
Environmental Manager  
West Florida
