

**CONCRETE BATCHING PLANT
AIR GENERAL PERMIT REGISTRATION FORM**

Part II. Notification to Permitting Office

(Detach and submit to appropriate permitting office; keep copy onsite)

RECEIVED
 MAY 12 2009
 Bureau of Air Quality
 Mobile Services

Instructions: To give notice to the Department of an eligible facility's intent to use this air general permit, the owner or operator of the facility must detach and complete this part of the Air General Permit Registration Form and submit it to the appropriate Department of Environmental Protection or local air pollution control program office which has permitting authority. Please type or print clearly all information, and enclose the appropriate air general permit registration processing fee pursuant to Rule 62-4.050, F.A.C. (\$100 as of the effective date of this form)

1150141-003

Registration Type

Check one:

INITIAL REGISTRATION - Notification of intent to:

- Construct and operate a proposed new facility.
- Operate an existing facility not currently using an air general permit (e.g., a facility proposing to go from an air operation permit to an air general permit).

RE-REGISTRATION (for facilities currently using an air general permit) - Notification of intent to:

- Continue operating the facility after expiration of the current term of air general permit use.
- Continue operating the facility after a change of ownership.
- Make an equipment change requiring re-registration pursuant to Rule 62-210.310(2)(e), F.A.C., or any other change not considered an administrative correction under Rule 62-210.310(2)(d), F.A.C.

Surrender of Existing Air Operation Permit(s) - For Initial Registrations Only

If the facility currently holds one or more air operation permits, such permit(s) must be surrendered by the owner or operator upon the effective date of this air general permit. In such case, check the first box, and indicate the operation permits being surrendered. If no air operation permits are held by the facility, check the second box.

- All existing air operation permits for this facility are hereby surrendered upon the effective date of this air general permit; specifically permit number(s): ALL AMERICAN MOBILE CONCRETE INC. 1150141-002-AG
- No air operation permits currently exist for this facility.

General Facility Information

Facility Owner/Company Name (Name of corporation, agency, or individual owner who or which owns, leases, operates, controls, or supervises the facility.) NEXGEN CONCRETE INC. D/B/A

ALL AMERICAN READY MIX CONCRETE

Site Name (Name, if any, of the facility site; e.g., Plant A, Metropolis Plant, etc. If more than one facility is owned, a registration form must be completed for each.)

N/A

Facility Location (Provide the physical location of the facility, not necessarily the mailing address.)

Street Address: 4824 ASHTON RD
 City: SARASOTA FL County: SARASOTA Zip Code: 34233

Facility Start-Up Date (Estimated start-up date of proposed new facility.)(N/A for existing facility)

N/A

Owner/Authorized Representative

Name and Position Title (Person who, by signing this form below, certifies that the facility is eligible to use this air general permit.)

Print Name and Title: JOHN TZANNETAKIS, President

Owner/Authorized Representative Mailing Address

Organization/Firm: 9104 KINGSTON Rd
Street Address: BRADWTON FL 34210
City: County: Zip Code:

Owner/Authorized Representative Telephone Numbers

Telephone: 941 923-4400 Fax: 941 923-4402
Cell phone (optional):

Facility Contact (If different from Owner/Authorized Representative)

Name and Position Title (Plant manager or person to be contacted regarding day-to-day operations at the facility.)

Print Name and Title: George Priovolos, General Manager

Facility Contact Mailing Address

Organization/Firm:
Street Address:
City: County: Zip Code:

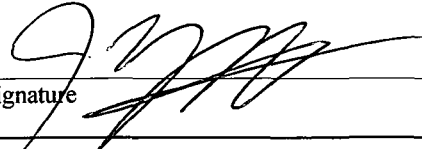

Facility Contact Telephone Numbers

Telephone: 941 923-4400 Fax:
Cell phone (optional):

Owner/Authorized Representative Statement

This statement must be signed and dated by the person named above as owner or authorized representative
I, the undersigned, am the owner or authorized representative of the owner or operator of the facility addressed in this Air General Permit Registration Form. I hereby certify, based on information and belief formed after reasonable inquiry, that the facility addressed in this registration form is eligible for use of this air general permit and that the statements made in this registration form are true, accurate and complete. Further, I agree to operate and maintain the facility described in this registration form so as to comply with all applicable standards for control of air pollutant emissions found in the statutes of the State of Florida and rules of the Department of Environmental Protection and revisions thereof.

I will promptly notify the Department of any changes to the information contained in this registration form.

Type of Facility

Check one:

Stationary Facility

Relocatable Facility

Type(s) of Reasonable Precautions Used to Prevent Unconfined Emissions

Check all precautions to be used for the management of roads, parking areas, stock piles and yards:

Pave Roads

Pave Parking Areas

Pave Yards

Maintain Roads/Parking/Yards

Use Water Application

Use Dust Suppressant

Remove Particulate Matter

Reduce Stock Pile Height

Install Wind Breaks

Check all precautions to be used for the management of drop points to trucks:

Spray Bar

Chute

Enclosure

Partial enclosure

Description of Reasonable Precautions

Below, or as an attachment to this form, provide details of all types of reasonable precautions to be used to prevent unconfined emissions at the facility.

This facility is a mobile mixer facility.
Very limited emissions. The facility
opened January 2006, and has had
annual visible emissions evaluations
performed by Southern Environmental Sciences Inc.
See attached.

Water is used to suppress dust,
Aggregate bins are high to contain stock piles.

A visible emissions evaluation ~~to~~
~~be~~ scheduled for end of May,
with environmental firm.

Description of Facility

Below, or as an attachment to this form, provide a description of the concrete batching plant operations at the facility in sufficient detail to demonstrate the facility's eligibility for use of this air general permit and to provide a basis for tracking any future equipment or process changes at the facility. Describe all air pollutant-emitting processes and equipment at the facility, and identify any air pollution control measures or equipment used.

The facility has two silos.

→ 2005 Cemen Tech MT 350 BBL
57 TONS MAX

→ 2004 CEMENTOCT MT 270 BBL
40 TONS MAX

→ Aggregate is contained in
Rock and Sand Bins

- Volumetric Trucks and
LOADER with aggregate
using a LOADER.

Concrete is not mixed at
the yard. Concrete is mixed
on site.

NO CHANGES HAVE BEEN MADE TO OPERATION

Re: All American Mobile Concrete, Inc.
Concrete Batch Plant
Permit No.: 1150141-002-AG

Dear Ms. Telemeco-Anders:

Enclosed is a copy of each of the (2) visible emissions evaluations performed on the above referenced facility on May 30, 2008. Results of the testing were within the allowable limits established by the permit for this facility. The VE on the flyash silo will be rescheduled for a latter date due to the silo being full.

Please feel free to contact me if you have any questions.

Regards,

SOUTHERN ENVIRONMENTAL
SCIENCES, INC.

Mark S. Gierke
Source Testing Manager

met the specifications of Federal Reference Method 9 and qualifies as a visible emissions evaluator. Maximum deviation on white and black smoke did not exceed 7.5% opacity and no single error exceeding 15% opacity was incurred during the certification test conducted by Eastern Technical Associates of Raleigh, NC. This certificate is valid for six months from date of issue and expires on the date below.
