Re: Facility No.1210466

Dear Mr. Keith Daniels:

Our records indicate your Human Crematory Air General Permit (AGP) entitlement is set to expire on March 17, 2011.

Pursuant to the Florida Department of Environmental Protection (FDEP) Rule 62-210.310 or 62-213-300, Florida Administrative Code, your facility is entitled to operate under the AGP Program for no more than five (5) years.

To continue your entitlement, the Owner/Authorized Representative shall submit a new registration form containing all current information regarding the facility no later than thirty (30) days prior to the expiration of your facility's current AGP entitlement.

We have enclosed an AGP registration form checklist to assist you with the continuation of your five (5) year entitlement. Also, you may obtain a copy of the appropriate registration form from the FDEP Division of Air Resource Management webpage at http://www.dep.state.fl.us/air/emission/air_gp.htm.

If you need additional information, please contact Stephen McKeough at 850/921-9539 or by email at Stephen.McKeough@dep.state.fl.us.
