Good Morning Dick,

Please inactivate Pro Line Cleaners (1270197). I conducted an inspection on August 19, 2009. At the time of the inspection the facility was in the process of removing the perc machines. Pictures documenting the removal was sent to me on November 10, 2009. The facility is operating as a drop-off store only.

Also, I thought I had previously requested Sunrise Cleaners (1270144) to be inactivated, but maybe I didn't. Can you please inactivate this facility?

Thanks! If you have any questions or concerns let me know.
