Jeff,

It was a pleasure to talk with you today regarding your submission of the Perchloroethylene Dry Cleaner Air General Permit Notification Form, a copy of which I have attached as a .pdf file document

Please take note of the highlighted areas, as those were the focus of our discussion, and ones that I will need answers to before I can complete the review and registration process for your facility.

If you would be so kind to provide those answers via e-mail or other written form, I will simply add them as an addendum to the original document.

Thank you for your attention to this matter, and if you should have any future questions or concerns, please don't hesitate to e-mail or call.

I hope you have a great day!

Dick
