Mike,

It was a pleasure to speak with you this afternoon regarding the subject item facility and your request to surrender the associated Concrete Batching Plant Air General Permit (AGP) Registration. This is confirmation that your request has been completed.

I apologize for not being aware that this portable unit had been re-entitled by the Palm Beach County DOH Local Program office as a stationary unit under AIRS ID# 0990306-005-AG on September 4, 2008. I understand that it was subsequently moved to the West Palm Beach facility, so **I have proceeded with your request and INACTIVATED the 7775366-002-AG entitlement.**

Please be reminded that since 2007, District & Local Program Offices no longer process/review AGP Registrations. All Air General Permit Registrations and fees are to be sent to the Tallahassee AGP program office for entitlement. That address is as follows:

If sent via the USPS (US mail) the address is:

**FDEP
RECEIPTS
POST OFFICE BOX 3070
TALLAHASSEE, FLORIDA 32315-3070**

If sent OVERNIGHT (FedEx, UPS, etc.) the address is:

**FDEP
3800 COMMONWEALTH BLVD, MS-77
TALLAHASSEE, FLORIDA 32399**

If in the future you should decide to relocate this particular 300 Bbl silo, we can go back and re-activate the 7775366 Facility ID with the submission of new registration form and fee. Unfortunately, and at the same time, since it is now entitled under the stationary facility entitlement, you will have to submit an additional registration form and fee as a Change of Equipment to the stationary facility when removing that unit. If entitled as a Relocatable unit then only one-day notice is required and a Relocation Form is required within five (5) days of relocation of the unit, versus a complete re-entitlement.

Facility Screen Comments in their entirety: 08/05/08-Mahoney unit relocated to W.Palm Bch. Reloc Notice sent to PBC. 09/03/09-Mahoney ltr request to INACTIVATE, unit now entitled under ID# 0990306-005-AG.

Re: AGP 7775366

Dick,

After discussions with Kaye Arlington of Arlington Environmental Services, Prestige Gunitite wishes to surrender the above AGP effective immediately.

The equipment under this registration was relocated to our West Palm Beach facility in 2008 where it was added as an additional emission unit to our permit # 0990306.

Should you need any additional information, please don't hesitate to contact me.

Thanks,

Mike Mahoney,
Compliance Manager
