Dear Mr. Christopher Massmann:

Thank you for your letter dated 04/13/09 (copy attached) regarding completion the I-95 Design Build Project and termination of concrete batching operations and subsequent dismantling of the subject-item facility.

With respect to your request for closure of your Air General Permit, I have changed the status of your facility to INACTIVE and logged the Final Shutdown Date as the effective date of your letter.

Immediately below is the complete content of the text which I have included in the comment section of the Facility Screen capture below for this facility and then below that a screen capture of the Emission Unit data also indicating an INACTIVE status.
