Mr. Dibble,

1. I am filling out the new form this week thank you for sending it to me.

2. Yes, Richard Hire will be signing the form.

The signature date was correct on the submitted form Richard had signed the form and then had it filed for submitting at a later date, not knowing it had to be submitted for the construction phase also. When I had him finish it for submittal he just got the one he signed months ago out of the file.

**Subject:** Submitted Concrete Batching Plant AGP Notification Form for Schwab Ready Mix-Saunders Road-new facility

Dear Mr. Lomski,

I am in receipt (09/17/07) of the subject item notification form (DEP Form No. 62-210.920(7)), which you have filed on behalf of your client David Schwab of Schwab Ready Mix and signed and dated respectively, by Richard H. Hire, Sr.VP., 04/25/06.

1) Unfortunately, I am unable to process this application since the form submitted by your organization on behalf of David Schwab/Schwab Ready Mix is contained on an outdated form.

Incorporated into the rule changes of January 10, 2007 there is a new updated Concrete Batching Plant AGP Registration Form, (DEP Form No. 62-210.920(2)(b), Effective: January 10, 2007). I have included a link (.pdf file) below that you can "click" on to download and print the current version.

[http://www.floridadep.org/Air/forms/nontitlev/dep62\\_210\\_920\(8\).pdf](http://www.floridadep.org/Air/forms/nontitlev/dep62_210_920(8).pdf)

2) Please notice on the second page (form page eight (8)) of the new form in the box titled **Owner/Authorized Representative** that the person listed in that box is the same person who will ultimately sign his/her name to the form.

10/4/2007

Additionally, with respect to the signature date of the application, the date should reflect the actual time the signature was applied to the form and not pre-dated as in the case of the recent filing.

Thank you for time and consideration, and should you have any questions please call.
