Wayne,

Pardon me for my lapse in memory. I knew that you go to Romania each year, but forgot when. You had better be careful about using the "termination" word! Ugly rumors can get started...

**This e-mail is to confirm that the ACE facility status has been updated to INACTIVE to reflect that the facility has been sold and is no longer in the possession of ACE GRADING SERVICE.**

FACILITY SCREEN COMMENTS in their entirety: **06/10/10-Status to INACTIVE per OAR Rocco Migliazzo Fax rec'd SD Office & fwded to Tallahassee on 08/10/10, facility has been sold & shipped overseas.**

Have a great day and be safe during your trip to the "old" country and return.

Regards,

*Dick*

Wayne,

I can't locate this facility in ARMS to find out if it was last entitled here in Tallahassee or SD office. Do you have an ARMS number? If last entitled in SD office, I don't need for my records. If entitled in Tallahassee, I will need it for the records.

What do you mean "...in prep. of your last day"? Are you retiring, been promoted, or are you leaving and going on to bigger and better things?

Dear Mr. Lewis:

Please be advised that we no longer own the 2006 Terex Pegson Premier 1165HA S/N: 650369CKHA. The crusher was sold on April 23, 2008, therefore we would like to terminate the current permit on this piece of equipment.

Please do not hesitate to call if you have any questions.

Sincerely,
