Danielle,

Hope you are having a very Happy New Year!

Just a friendly reminder-If you should receive requests to inactivate, surrender, or rescind any Air General Permit Registrations which have been entitled through the Tallahassee Headquarters office please forward those requests to be processed here. We maintain the original hardcopy and scanned files here and when processed without our knowledge we are unable to close out those files.

Thank you for your cooperation and assistance in this situation.

Have a great day and stay warm! It's cold up here!

PS-By the way, sometime this afternoon or tomorrow we will all be getting new phone numbers. My new number will be (850) 717-9071.

Thanks,

Dick

Please take this as notification that we are surrendering out GAP for the ID#7775472. This machine was sold to PreCast Depot in Miami, Florida in March 2010.

Richard,

You need to surrender the permit, it is still in your name which makes you responsible if there are any fines or violations. Persant Construction needs to apply for an Air General Registration through the FDEP and have the crusher tested.

If you have any questions, please feel free to call me at 863.467.0555 or email me at karlington@arlingtonenvironmental.com.

Best Regards,
