Hi Janet:

As previously discussed during our telephone conversation today, Mr. Dickson Dibble (FDEP) called and said they received the processing fees for the three notifications; however, the three notification packets they received appeared to be identical. The three notifications packets they received were for the rinser only.

He requested that you send the FDEP a signed copy of the notifications for the crusher and powerscreen as soon as possible. A processing fee DOES NOT need to be sent at this time.

Please send the notification for the crusher ad powerscreen to:
