Dickson,

This is to confirm that ID#7775524-AG will be changed to inactive due to an error on our part where we duplicated registrations for the same facility.

Thank you,

Richard Grant

Richard,

As you have requested, I will use the AIRS ID# 7775519-001-AG for the following relocatable crusher facility:

BL PEGSON
TRAKPACTOR 428
S/N 280 285 FA

In response to that we will need correspondence (an e-mail would suffice) from you, for the record, substantiating your request that AIRS ID# 7775524-001-AG be changed to an INACTIVE status based on the reason(s) to which you have alluded.

Thank you for your follow-up.

Have a great weekend!

Dick

Dickson, I mistakenly applied for the same machine twice. Lets use 5519 for this facility.
Thanks,
Richard

Richard,

I have attached copies of each of your original applications and both indicate (page 10 of each form) the identical S/N as 280 285 FA, so I am unable to tell you which is which.

Please let me know when you make that determination so I can make the proper adjustment in our data base.

Thanks.
