Mr. Dibble;

I am sending this email to address the concerns you expressed relating to the Perry Precast AG permit application.

I have attached a copy of the baghouse specification sheet sent to me from the manufacturer Del Zotto. I have included a copy of the Mixer System sheet from their website. Hopefully these documents will satisfy the required information you requested in your email. Please let me know if you have any further request concerning this project in order to expedite approval of this permit.

Neil A. Lofgren, P.E.

Dear Mr. Lofgren,

I am unable to open the Del Zotto attachment and when I go to their website I don't find a reference to silos. I am unable to locate the specific equipment (silo & emission control device(s)) details (Manufacturer, Model#, capacity in T or Bbls, S/N if available, etc.) of which I am asking you to provide.

If you would be so kind to provide the data in the body of your e-mail, I will be more than happy to attach that document as an addendum to the original application previously submitted.

Thank you for your consideration in this matter.

Sincerely,

Dickson E. Dibble

Mr. Dibble;

As per your request I am sending you a copy of the AG application previously submitted for Perry Precast, Mayo, FL. I have included a copy of the information sheet from the Del Zotto silo and equipment manufacturer.

Del Zotto website: <http://www.delzottoproducts.com/> See Mixer - Concrete

Please contact me if you have further questions concerning this project.
