CONCRETE BATCHING PLANT
AIR GENERAL PERMIT REGISTRATION FORM

Bureau of Air Management
& Mobile Sources

Part II. Notification to Permitting Office

(Detach and submit to appropriate permitting office; keep copy onsite)

Instructions: To give notice to the Department of an eligible facility's intent to use this air general permit, the owner or operator of the facility must detach and complete this part of the Air General Permit Registration Form and submit it to the appropriate Department of Environmental Protection or local air pollution control program office which has permitting authority. Please type or print clearly all information, and enclose the appropriate air general permit registration processing fee pursuant to Rule 62-4.050, F.A.C. (\$100 as of the effective date of this form)

7775620-001

Registration Type

Check one:

INITIAL REGISTRATION - Notification of intent to:

- Construct and operate a proposed new facility.
- Operate an existing facility not currently using an air general permit (e.g., a facility proposing to go from an air operation permit to an air general permit).

RE-REGISTRATION (for facilities currently using an air general permit) - Notification of intent to:

- Continue operating the facility after expiration of the current term of air general permit use.
- Continue operating the facility after a change of ownership.
- Make an equipment change requiring re-registration pursuant to Rule 62-210.310(2)(e), F.A.C., or any other change not considered an administrative correction under Rule 62-210.310(2)(d), F.A.C.

Surrender of Existing Air Operation Permit(s) - For Initial Registrations Only

If the facility currently holds one or more air operation permits, such permit(s) must be surrendered by the owner or operator upon the effective date of this air general permit. In such case, check the first box, and indicate the operation permits being surrendered. If no air operation permits are held by the facility, check the second box.

- All existing air operation permits for this facility are hereby surrendered upon the effective date of this air general permit; specifically permit number(s):
- No air operation permits currently exist for this facility.

Owner/Authorized Representative Statement

This statement must be signed and dated by the person named above as owner or authorized representative

I, the undersigned, am the owner or authorized representative of the owner or operator of the facility addressed in this Air General Permit Registration Form. I hereby certify, based on information and belief formed after reasonable inquiry, that the facility addressed in this registration form is eligible for use of this air general permit and that the statements made in this registration form are true, accurate and complete. Further, I agree to operate and maintain the facility described in this registration form so as to comply with all applicable standards for control of air pollutant emissions found in the statutes of the State of Florida and rules of the Department of Environmental Protection and revisions thereof.

I will promptly notify the Department of any changes to the information contained in this registration form.

Subject: Facility ID# 7775620 - Request for missing information on page 10 of the Concrete Batching Plant Air General Permit Registration Form
Attachments: image003.png; 7775620;FloridaIndustrialPropertiesTwoLLC_CCBPlant.pdf; image002.jpg

Dear Mr. Jose` F. Vega,

Thank you for returning my call regarding the information that was omitted from Page ten (10) of the subject item form (see attachment).

In order for your application to be considered complete and eligible for processing and review, I will need the following information as requested on page ten (10) of the form.

Description of Facility

Below, or as an attachment to this form, provide a description of the concrete batching plant operations at the facility in sufficient detail to demonstrate the facility's eligibility for use of this air general permit and to provide a basis for tracking any future equipment or process changes at the facility. Describe all air pollutant-emitting processes and equipment at the facility, and identify any air pollution control measures or equipment used.

In other words I will need the following information:

- 1) Describe your operation (What do you do with this concrete batching plant?)
- 2) Silos (identify each silo)
 - a) Manufacturer name
 - b) Model number
 - c) Capacity of the silo in Bbls or Cu Ft
 - d) Product stored in each silo (cement, flyash, slag, etc)
- 3) Baghouses/dust collectors (identify each and with which silo)
 - a) Manufacturer name
 - b) Model number
 - c) Style (Silotop or ground mounted, central or individual)
 - d) Filter type & sizes (bag, cartridge, vent, etc)
- 4) Batchers/Mixers (identify each and any emission controls used)
- 5) Truck load-outs (identify each and any emission controls used)
- 6) Power unit (if a reciprocating internal combustion engine)
 - a) Name of engine manufacturer
 - b) Model of engine
 - c) S/N of engine
 - d) Horsepower
 - e) Fuel source (diesel, gas, LP, NG, etc)

I hope this helps.

I will be sending another e-mail tomorrow with the Nonmetallic Mineral Processing Plant information that I will need.

If you have any questions, comments or concerns please e-mail or call.

Thank you for your assistance and have a great day!

Sincerely yours,

Dickson E. Dibble
