**NONMETALLIC MINERAL PROCESSING PLANTS (CRUSHERS)
AIR GENERAL PERMIT REGISTRATION FORM**

DEPT. OF ENVIRONMENTAL MONITORING
& AIR QUALITY CONTROL

Part II. Notification to Permitting Office

(Detach and submit to appropriate permitting office; keep copy onsite)

Instructions: To give notice to the Department of an eligible facility's intent to use this air general permit, the owner or operator of the facility must detach and complete this part of the Air General Permit Registration Form and submit it to the appropriate Department of Environmental Protection or local air pollution control program office which has permitting authority. Please type or print clearly all information, and enclose the appropriate air general permit registration processing fee pursuant to Rule 62-4.050, F.A.C. (\$100 as of the effective date of this form)

7775627-001

Registration Type

Check one:

INITIAL REGISTRATION - Notification of intent to:

- Construct and operate a proposed new facility.
 Operate an existing facility not currently using an air general permit (e.g., a facility proposing to go from an air operation permit to an air general permit).

RE-REGISTRATION (for facilities currently using an air general permit) - Notification of intent to:

- Continue operating the facility after expiration of the current term of air general permit use.
 Continue operating the facility after a change of ownership.
 Make an equipment change requiring re-registration pursuant to Rule 62-210.310(2)(e), F.A.C., or any other change not considered an administrative correction under Rule 62-210.310(2)(d), F.A.C.

Surrender of Existing Air Operation Permit(s) - For Initial Registrations Only

If the facility currently holds one or more air operation permits, such permit(s) must be surrendered by the owner or operator upon the effective date of this air general permit. In such case, check the first box, and indicate the operation permits being surrendered. If no air operation permits are held by the facility, check the second box.

- All existing air operation permits for this facility are hereby surrendered upon the effective date of this air general permit; specifically permit number(s): _____
 No air operation permits currently exist for this facility.

General Facility Information

Facility Owner/Company Name (Name of corporation, agency, or individual owner who or which owns, leases, operates, controls, or supervises the facility.)

Eco Aggregate Products, LLC

Site Name (Name, if any, of the facility site; e.g., Plant A, Metropolis Plant, etc. If more than one facility is owned, a registration form must be completed for each.)

Medley Properties

Facility Location (Provide the physical location of the facility, not necessarily the mailing address.)

Street Address: 11002 N.W. South River Drive

City: Medley

County: Miami Dade

Zip Code: 33178 - 1133

Facility Start-Up Date (Estimated start-up date of proposed new facility.) (N/A for existing facility)

May 10, 2010

Owner/Authorized Representative

Name and Position Title (Person who, by signing this form below, certifies that the facility is eligible to use this air general permit.)

Print Name and Title: Cheryl Correa, Managing Member

Owner/Authorized Representative Mailing Address

Organization/Firm: Eco Aggregate Products, Inc.

Street Address: 11100 N.W. South River Drive

City: Medley

County: Miami Dade

Zip Code: 33178

Owner/Authorized Representative Telephone Numbers

Telephone: 305.357.2300

Fax: 305.885.2534

Cell phone (optional):

Email: cheryl@zles.net

Facility Contact (If different from Owner/Authorized Representative)

Name and Position Title (Plant manager or person to be contacted regarding day-to-day operations at the facility.)

Print Name and Title: Same as above

Facility Contact Mailing Address

Organization/Firm:

Street Address:

City:

County:

Zip Code:

Facility Contact Telephone Numbers

Fax:

Cell phone (optional):

Owner/Authorized Representative Statement

This statement must be signed and dated by the person named above as owner or authorized representative

I, the undersigned, am the owner or authorized representative of the owner or operator of the facility addressed in this Air General Permit Registration Form. I hereby certify, based on information and belief formed after reasonable inquiry, that the facility addressed in this registration form is eligible for use of this air general permit and that the statements made in this registration form are true, accurate and complete. Further, I agree to operate and maintain the facility described in this registration form so as to comply with all applicable standards for control of air pollutant emissions found in the statutes of the State of Florida and rules of the Department of Environmental Protection and revisions thereof.

I will promptly notify the Department of any changes to the information contained in this registration form.

Type of Facility

Check one:

<input checked="" type="checkbox"/> Stationary Facility	<input checked="" type="checkbox"/> Relocatable Facility
---	--

Type(s) of Precautions Used to Prevent Unconfined Emissions

Check all that apply for the management of roads, parking areas, stock piles and yards:

<input checked="" type="checkbox"/> Maintain Roads/Parking/Yards	<input checked="" type="checkbox"/> Use Water Application	<input type="checkbox"/> Use Dust Suppressant
<input type="checkbox"/> Remove Particulate Matter	<input type="checkbox"/> Reduce Stock Pile Height	<input type="checkbox"/> Install Wind Breaks

Check the location of spray bars at the nonmetallic mineral processing plant:

<input type="checkbox"/> Feeders	<input checked="" type="checkbox"/> Entrance to "Crusher"	<input checked="" type="checkbox"/> Exit of "Crusher"
<input type="checkbox"/> Classifier Screens	<input checked="" type="checkbox"/> Conveyor Drop Points	

Description of Reasonable Precautions

Below, or as an attachment to this form, provide details of all types of reasonable precautions to be used to prevent unconfined emissions at the facility.

Spray bars will be utilized to control emissions. Water will also be used as a dust suppressant on the roads, parking areas and yards if necessary.

Description of Facility

Below, or as an attachment to this form, provide a description of the nonmetallic mineral processing operations at the facility in sufficient detail to demonstrate the facility's eligibility for use of this air general permit and to provide a basis for tracking any future equipment or process changes at the facility. Describe all air pollutant-emitting processes and equipment at the facility, and identify any air pollution control measures or equipment used.

This registration is for a B.L. Pegson 428 Trakpactor, Serial Number QMO30894. It has a rated capacity of 200 tons per hour and utilizes a 300 Hp CAT C-9 diesel engine for power. It will be used primarily for crushing concrete.

Subject: RE: Air Permit

Hi Dick,

Thank you for your time on the phone this morning, it was a pleasure speaking with you. Based on the conversation we had, I would like to go ahead and request that the Air Permit that we are requesting from the State of Florida be changed from a stationary facility to a relocatable unit.

Thanks again for your help, I hope you have a great day and good luck with that bucket list!

Best regards,

CHERYL CORREA
