Secretary

September 17, 2010

Mr. David Dostie, President  
United Brothers Development Corporation  
11535 Boote Boulevard  
Jacksonville, Florida 32218

Dear Mr. Dostie:

This is to acknowledge that your notification of intent to use the authority of Rule 62-210.310 to operate your **Nonmetallic Mineral Processing Plants (Crushers)** facility was received on August 16, 2010. We have assigned ARMS No. 7775643-001 to this facility.

As you know, pursuant to Florida Statutes section 403.814, authority to operate under general permits commences thirty (30) days after receipt of the registration form unless you have been notified by this office that your facility has not shown entitlement to operate pursuant to the rule provisions.

For your information, authority to operate pursuant to Rule 62-210.310 expires after five (5) years. Therefore, a new registration form must be received no later than five (5) years after the date your notice was received as indicated above. If your general permit rule conditions require testing, such testing must be completed within the time frame specified in the rule.

If you have any additional questions, please contact Dickson Dibble at 850/921-9586.

Sincerely,

  
for Sandra F. Veazey, Chief  
Bureau of Air Monitoring  
and Mobile Sources
