CONCRETE BATCHING PLANT
AIR GENERAL PERMIT REGISTRATION FORM

Part II. Notification to Permitting Office

(Detach and submit to appropriate permitting office; keep copy onsite)

Instructions: To give notice to the Department of an eligible facility's intent to use this air general permit, the owner or operator of the facility must detach and complete this part of the Air General Permit Registration Form and submit it to the appropriate Department of Environmental Protection or local air pollution control program office which has permitting authority. Please type or print clearly all information, and enclose the appropriate air general permit registration processing fee pursuant to Rule 62-4.050(4)(o), F.A.C. (\$100 as of the effective date of this form)

Registration Type

Check one:

INITIAL REGISTRATION - Notification of intent to:

- Construct and operate a proposed new facility.
 Operate an existing facility not currently using an air general permit (e.g., a facility proposing to go from an air operation permit to an air general permit).

RE-REGISTRATION (for facilities currently using an air general permit) - Notification of intent to:

- Continue operating the facility after expiration of the current term of air general permit use.
 Continue operating the facility after a change of ownership.
 Make an equipment change requiring re-registration pursuant to Rule 62-210.310(2)(e), F.A.C., or any other change not considered an administrative correction under Rule 62-210.310(2)(d), F.A.C.

7775683-001

Surrender of Existing Air Operation Permit(s) - For Initial Registrations Only

If the facility currently holds one or more air operation permits, such permit(s) must be surrendered by the owner or operator upon the effective date of this air general permit. In such case, check the first box, and indicate the operation permits being surrendered. If no air operation permits are held by the facility, check the second box.

- All existing air operation permits for this facility are hereby surrendered upon the effective date of this air general permit; specifically permit number(s): _____
 No air operation permits currently exist for this facility.

General Facility Information

Facility Owner/Company Name (Name of corporation, agency, or individual owner who or which owns, leases, operates, controls, or supervises the facility.)

McCarthy Improvement Company

Site Name (Name, if any, of the facility site; e.g., Plant A, Metropolis Plant, etc. If more than one facility is owned, a registration form must be completed for each.)

CEMEX Orange Park - Portable Central Mix Batch Plant

Facility Location (Provide the physical location of the facility, not necessarily the mailing address.)

Street Address: 4807 Collins Road

City: Jacksonville

County: Duval

Zip Code: 32244

Facility Start-Up Date (Estimated start-up date of proposed new facility.) (N/A for existing facility)

September 2011

Owner/Authorized Representative

Name and Position Title (Person who, by signing this form below, certifies that the facility is eligible to use this air general permit.)

Print Name and Title: Alan Sweat, Technical Services Director

Owner/Authorized Representative Mailing Address

Organization/Firm: McCarthy Improvement Company

Street Address: 100 Hartsfield Centre, Suite #520

City: Atlanta, Georgia County: Zip Code: 30354

Owner/Authorized Representative Telephone Numbers

Telephone: Fax: 404-761-4764

Cell phone (optional): 404-354-6667

Facility Contact (If different from Owner/Authorized Representative)

Name and Position Title (Plant manager or person to be contacted regarding day-to-day operations at the facility.)

Print Name and Title: Tom Disk, Plant Operations Manager

Facility Contact Mailing Address

Organization/Firm: McCarthy Improvement Company

Street Address: 100 Hartsfield Centre, Suite #520

City: Atlanta, Georgia County: Zip Code: 30354

Facility Contact Telephone Numbers

Telephone: Fax:

Cell phone (optional): 563-528-1101

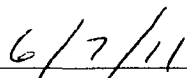

Owner/Authorized Representative Statement

This statement must be signed and dated by the person named above as owner or authorized representative

I, the undersigned, am the owner or authorized representative of the owner or operator of the facility addressed in this Air General Permit Registration Form. I hereby certify, based on information and belief formed after reasonable inquiry, that the facility addressed in this registration form is eligible for use of this air general permit and that the statements made in this registration form are true, accurate and complete. Further, I agree to operate and maintain the facility described in this registration form so as to comply with all applicable standards for control of air pollutant emissions found in the statutes of the State of Florida and rules of the Department of Environmental Protection and revisions thereof.

I will promptly notify the Department of any changes to the information contained in this registration form.

Type(s) of Reasonable Precautions Used to Prevent Unconfined Emissions

Check all precautions to be used for the management of roads, parking areas, stock piles and yards:

<input type="checkbox"/> Pave Roads	<input checked="" type="checkbox"/> Pave Parking Areas	<input checked="" type="checkbox"/> Pave Yards
<input checked="" type="checkbox"/> Maintain Roads/Parking/Yards	<input checked="" type="checkbox"/> Use Water Application	<input type="checkbox"/> Use Dust Suppressant
<input checked="" type="checkbox"/> Remove Particulate Matter	<input checked="" type="checkbox"/> Reduce Stock Pile Height	<input type="checkbox"/> Install Wind Breaks

Check all precautions to be used for the management of drop points to trucks:

<input type="checkbox"/> Spray Bar	<input checked="" type="checkbox"/> Chute	<input type="checkbox"/> Enclosure
	<input type="checkbox"/> Partial enclosure	

Description of Reasonable Precautions

Below, or as an attachment to this form, provide details of all types of reasonable precautions to be used to prevent unconfined emissions at the facility.

McCarthy Improvement Company will take reasonable precautions to control unconfined emissions from hoppers, storage and conveying equipment, conveyor drop points, truck loading and unloading, roads, parking areas, stock piles and yards as required by Rule 62-296.320(4)(c), F.A.C. The following are the precautions taken at this facility.

Regular sweeping and/or the application of water to the yard is used to control airborne emissions.

Regular removal of particulate matter from roads, paved areas and work areas serves to reduce airborne particulate matter.

The height of stock piles are reduced and the aggregates are continuously sprayed to mitigate wind entrainment of particulate matter.

Description of Facility

Below, or as an attachment to this form, provide a description of the concrete batching plant operations at the facility in sufficient detail to demonstrate the facility's eligibility for use of this air general permit and to provide a basis for tracking any future equipment or process changes at the facility. Describe all air pollutant-emitting processes and equipment at the facility, and identify any air pollution control measures or equipment used.

This facility will consist of a Rexcon 10 Cubic Yard Logo portable central mix batch plant that will be located on the CEMEX - Orange Park Ready-Mix plant property. The portable batch plant will be operated by McCarthy Improvement Company, while the existing CEMEX plant will be operated solely by CEMEX. The portable batch plant will produce ready-mix concrete using cement, flyash, and aggregate materials. This portable batch plant will be located on the CEMEX Orange Park site for 2 - 5 years at which time the job will be complete and the portable batch plant will be relocated.

Dust emissions from this plant are controlled by the following methods.

Emissions generated during the pneumatic filling of the silos (one split silo, 750 Barrel total capacity), the weighing of cementitious materials, and the batching / truck loading operations are all controlled by a McNeillus RA 1500 Central Collector.

Emission Units (EU'S) are as follows:

Point ID No: 01 - McNeilus RA 1500 Central Dust Collector (Silo Compartment 1, Silo Compartment 2, Weigh Hopper, Truck Load out)

Re: McCarthy Improvement Company
CEMEX – Orange Park Portable Batch Plant
Air General Permit Notification Form

Dear Sir / Madam:

Enclosed please find the Air General Permit Notification Form, Part II for the above-captioned plant, along with appropriate processing fee.

This notice is for a new portable batch plant to be located on the CEMEX – Orange Park Facility. This portable batch plant is to be owned and operated by the McCarthy Improvement Company on this site for a period of 2 – 5 years, at which time it will be relocated.

Please do not hesitate to call if you have any questions on this matter.

Sincerely,

Alan Sweat
Technical Services Director
McCarthy Improvement Company
