Re: Air General Permit – Incorrect fee amount

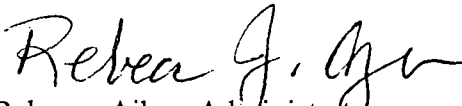

Dear Mr. Oyenarte:

The Bureau of Air Monitoring and Mobile Sources recently received your processing fee by check (#54830) in the amount of \$250 for Concrete Batching Plant Air General Permit Registration.

We appreciate your submittal. However, your check is being returned to you because the amount is incorrect. As advised in our telephone conversation, please submit a check for the correct amount of \$100.00.

If you have any questions, please call me at 850/921-9583.

Sincerely,

*for*

Comments: Kimberly,

Please return the attached subject item check #54830 to the payer and address indicated above. It was remitted to FDEP for the Concrete Batching Plant Air General Permit Registration processing fee in the incorrect amount. I have already called the applicant to advise and they are "cutting" another check for the correct amount of \$100.00.

Let me know if you have any questions.

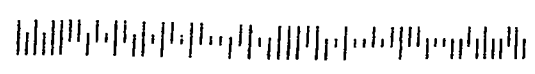

Thank you,

*Dick*
