Subject: AIRS ID# 0090167, ATLANTIC DRY CLEANERS responsibility during/after change of ownership

Dear Mrs. Matta,

As you are aware from your conversations with Miss Grant and me, the Perchloroethylene Dry Cleaner Air General permit is not transferable upon a change of ownership. It is customary that the previous owner notify us when a change of ownership is imminent. At the same time it is his/her responsibility to inform the new owner of his/her responsibility to submit a new registration form at least thirty (30) days prior to the sale.

Since there has been a change of ownership at your facility, from Mr. Michael Volk to you, it is important that you complete the form and register as the new owner, responsible official, authorized representative or operator of the Atlantic Dry Cleaner facility as soon as possible.

Below you will find the link to the subject item registration form. You may download and print the form from there. If you are the Responsible Official, please complete the form, print your name, sign your name and date the last page of the form. The form itself begins on page 14 and ends on page 17. Pages 1-13 provide an overview of the rule, and pages 18 thru 19 provide directions for completing the form.

Please submit the original, signed form to our office at the address below as soon as possible.

Please keep a copy of the form for your records in the event your facility is visited by an inspector. From the date your form is received, your application will proceed thru a 30 day review period. Please fill out the form completely and according to the characteristics of your facility. Please don't forget to sign and date the form.

DO NOT SEND MONEY! Your annual operation fee is billed separately and will be remitted to a different address. Your invoice will be contained in the packet being sent to you by Miss Grant.

Thank you for your prompt attention in this matter.

Sincerely,

Dickson E. Dibble
