Mr. Pennetta,

I called the Waste Management Division and confirmed that this facility #0112251, Village Cleaners, sent in their registration for the dry cleaning solvent certification. The certification was sent to Mr. Cheone K. Lim. I will look out for the registration but they still need to send the \$100 fee from this facility for me to be able to complete the registration. Feel free to call me or have Cheone call me. Thanks for the heads up

Dick,

The owner of this facility said that he sent a check to DEP back in Dec-Jan for his GP fee. Do you have any record of his payment? His entitlement is expired but I gave him the renewal form last week so it should be in soon.

Michael,

Attached is the cash listing that shows the most recent payment from Village Cleaners. As you can see, check number 346 was credited to their STCM account. I do not see any other payments from that company for the past six months.

Please let me know if I can help with anything else.

Mike,

I spoke with Mr. Lim at his facility yesterday and he is still convinced that he sent you a check. Maybe you should give him a call and see if you can straighten this out.

Thanks Art for pointing that out, I may have missed that one. It is fixed. I am waiting on the processing fee from Mr. Lim, and once I receive it I'll finish up the registration. Appreciate it

It seems that Village Cleaners is still in ARMS as a Title V GP. Can you see what can be done to fix it?
