Dear Mr. Rossi:

The Department has received the Title V General Permit Notification Form for the dry cleaning facility that you submitted on September 4, 2001.

Please note that in January of each year the Department will be mailing fee notices to those facilities using the Title V general permit. This annual operation fee is \$50 and it is due and payable between January 15 and March 1 of each year the facility is in operation and is subject to the requirements of the Title V general permit.

If you have or expect to have any changes in your mailing address, location address, responsible official, or phone number, please notify the Department at the following address:

If there are any changes in the facility status, including change of operating parameters or equipment, or if you have any additional questions regarding the Title V General Permit Program, please contact the district or local air program compliance inspector in your area.

Sincerely,

Dear Mr. Del Rossi:

Thank you for your December 11 letter notifying the department that your business, Sheridan-Cleaners, Inc. (AIRS ID #0112302), no longer uses perchloroethylene as a solvent.

Rule 62-213.300, Florida Administrative Code (F.A.C.), stipulates that the responsible official shall notify the department in writing within **30 days** of any changes requiring corrections to information contained in the notification form. As a result of your recent letter, the facility status for Sheridan Cleaners, Inc., has been changed to *inactive* in the database. However, our database shows your facility was active in 2003.

In addition, Rule 62-213.300, F.A.C., stipulates that an annual emissions fee is due and payable for the **preceding** year in which the facility was in operation and subject to the requirements of the general permit. Since our records indicate that Sheridan Cleaners, Inc., operated as a Title V general permit facility in **2003**, the annual operation fee for which you were recently invoiced is now due.

If you have any additional questions or need additional information, please contact me at 850/921-9583 or Rick Butler at 850/921-9586.

Sincerely,

## NOTICE OF ANNUAL OPERATION FEE VIA: CERTIFIED MAIL WITH RETURN RECEIPT

TO: Users of Title V Air General Permits

Records in the Division of Air Resource Management indicate that you operate a source of air pollution and that you have claimed eligibility for your facility to operate under a Title V Air General Permit pursuant to Chapter 62-213, Florida Administrative Code (F.A.C.).

As a source of air pollution subject to Title V of the federal Clean Air Act, your facility is required under Section 403.0872, Florida Statutes (F.S.), to pay an annual operation fee as established by the Department in Rule 62-213.205, F.A.C.

Your annual operation fee is \$50 for calendar year 2003. A notice of your obligation to pay the annual operation fee was sent to you by first class U.S. mail, along with an invoice form and instructions. If you have already submitted the annual operation fee in response to that request, please disregard this letter.

If you have not yet submitted the annual operation fee, this notice (with the enclosed replacement invoice) is being sent in accordance with Rule 62-213.205(1)(g), F.A.C., as a reminder that any annual operation fee not postmarked by **March 1, 2004**, may be subject to a 50% penalty, plus interest computed in accordance with Section 220.807, F.S. In addition, please be aware that under Rule 62-213.205(1)(g), F.A.C., failure to timely pay any required annual operation fee, penalty, or interest constitutes grounds for revocation of the Title V Air General Permit.

To submit your fee payment, please follow the directions on the enclosed invoice form. If you have any questions, you may call Rick Butler at 850/921-9586 or Sandra Bowman at 850/921-9583. Thank you for your prompt attention to this matter.

Sincerely,
