NOTICE OF LATE PAYMENT OF ANNUAL EMISSIONS FEE VIA: CERTIFIED MAIL WITH RETURN RECEIPT

TO: User of Title V Air General Permit

Department records indicate that during calendar year 1999 you operated a facility which is a source of air pollution. You have also claimed eligibility for this facility to operate under a Title V Air General Permit pursuant to Chapter 62-213, Florida Administrative Code (F.A.C.).

As a source of air pollution subject to Title V of the federal Clean Air Act, your facility is required under Section 403.0872, Florida Statutes (F.S.), to pay an annual emissions fee, as established by the Department in Rule 62-213.205, F.A.C. You are also required, under Rule 62-213.300(2)(c)2, F.A.C., to notify the Department in writing of any change in facility status.

The annual emissions fee for your facility is \$50 for calendar year 1999. A notice of your obligation to pay the annual emissions fee was sent to you by certified mail, along with an invoice form and instructions.

As of this date, the Department has not received your annual emissions fee. Therefore, in accordance with Rule 62-213.205(1)(g), F.A.C., the Department is assessing a 50% penalty against your facility, for a total fee of \$75.00 for calendar year 1999.

Under Rule 62-213(1)(g), F.A.C., failure to timely pay the required annual emissions fee, penalty, or interest constitutes grounds for revocation of your Title V Air General Permit. If the fee and penalty are not promptly paid, the Department will revoke your facility's Title V Air General Permit and may also seek interest in accordance with Section 220.807, F.S.

To submit your \$75.00 payment, please follow the directions on the enclosed invoice form. If you have any questions, you may call Rick Butler at 850/921-9586 or Sandra Bowman at 850/921-9583. Thank you for your immediate attention to this matter.

Sincerely,

Dotty Diltz, Chief

Bureau of Air Monitoring and Mobile Sources
