Re: Facility No.: 0112417-003

Dear Mr. Jaramillo:

The Department has received the Title V General Permit Notification Form for the dry cleaning facility that you submitted on May 19, 2008.

Pursuant to Florida Statutes section 403.814, the authority to operate under general permits commences thirty days after receipt of the registration form unless you have been notified by this office that your facility has not shown entitlement to operate pursuant to the rule provisions.

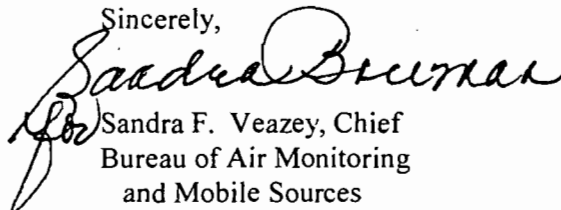

For your information, authority to operate pursuant to Rule 62-210.310 expires after 5 years. Therefore, a new registration form must be received no later than 5 years after the date your notice was received as indicated above. If your general permit rule conditions require testing, such testing must be completed within the time frame specified in the rule.

If you have or expect to have any changes in your mailing address, location address, responsible official, or phone number, please notify the Department at the following address:

Title V General Permits Office
Bureau of Air Monitoring and Mobile Sources MS 5510
Department of Environmental Protection

If there are any changes in the facility status, including change of operating parameters or equipment, or if you have any additional questions regarding the Title V General Permit Program, please contact the district or local air program compliance inspector in your area.

Sincerely,

Sandra F. Veazey, Chief

To: Users of the Title V Air General Permit

Records in the Division of Air Resource Management indicate that you have claimed eligibility for your facility to operate under a Title V Air General Permit (TV AGP) pursuant to Chapter 62-213, Florida Administrative Code (F.A.C.) and your entitlement to operate is about to expire.

As a source of air pollution subject to Title V of the Federal Clean Air Act, your facility is entitled to operate for no more than five (5) years with a permit under Section § 403.0872 Florida Statutes (F.S.). Rule 62-213.300, F.A.C., establishes that the duration of the permit is for five (5) years, and no later than thirty (30) days prior to the fifth anniversary of the filing of intent to use this general permit, the responsible official shall submit a new notice of intent which shall contain all current information regarding the facility.

If you wish to maintain your entitlement to operate, for your convenience, you may obtain a copy of the appropriate registration form in the following manner(s). You may download a copy of the registration form from the FDEP Air Resource Management webpage below.

FDEP forms Webpage: <http://www.floridadep.org/Air/forms/tvgp.htm>

or call the general permit contact for the FDEP, Dickson Dibble, at 850-921-9586.

As the Owner/Operator or authorized representative for this facility, please complete the form, sign your name, date it, and submit it to the following address:

**Title V Air General Permit Program
Bureau of Air Monitoring and Mobile Sources, MS5510
Department of Environmental Protection
2600 Blair Stone Road
Tallahassee, Florida 32399-2400**

It is important to note that facilities not in compliance with the conditions of their existing TV AGP may not be eligible to use a new TV AGP after the existing authority period expires. Such facilities will be required to make application for an Air Operating Permit as a major source under Title V. It is very important for facilities to assure that they are now in compliance with their TV AGP conditions to avoid this costly situation.

IMPORTANT

A facility is eligible to operate under a Title V Air General Permit (TV AGP) for no more than five (5) years. Your facility is approaching the end of the current five (5) year period for which it was entitled to operate under the Title V Air General Permit.

NEW OWNER? If you are a **NEW OWNER**, please check this box and return this page with your completed Title V Air General Permit Notification Form.

NEW RESPONSIBLE OFFICIAL? If you are a **NEW RO**, and/or your existing business has moved to a new location, please check this box and return this page with your completed Air General Permit Notification Form.

- If you wish to continue your entitlement, please complete the Air General Permit Notification Form, making certain that it is **signed by the Responsible Official (RO)**, properly dated, and mailed to the following address:

**Title V Air General Permit Program
Bureau of Air Monitoring and Mobile Sources, MS5510
Department of Environmental Protection
2600 Blair Stone Road
Tallahassee, Florida 32399-2400**

- If you do not wish to continue with your eligibility, please disregard this notice.
- A fee is **NOT** required with the notification form.

NOTICE OF LATE PAYMENT OF ANNUAL OPERATION FEE VIA: CERTIFIED MAIL WITH RETURN RECEIPT

TO: User of Title V Air General Permit

Department records indicate that during calendar year **2002** you operated a facility which is a source of air pollution. You have also claimed eligibility for this facility to operate under a Title V Air General Permit pursuant to Chapter 62-213, Florida Administrative Code (F.A.C.).

As a source of air pollution subject to Title V of the federal Clean Air Act, your facility is required under Section 403.0872, Florida Statutes (F.S.), to pay an annual operation fee, as established by the Department in Rule 62-213.205, F.A.C. You are also required, under Rule 62-213.300(2)(c)2, F.A.C., to notify the Department in writing of any change in facility status.

The annual operation fee is \$50 for calendar year **2002**. A notice of your obligation to pay the annual operation fee was sent to you by certified mail, along with an invoice form and instructions. This notice (with the enclosed replacement invoice) is being sent as a reminder.

The Department has not received your annual operation fee. Accordingly, in accordance with Rule 62-213.205(1)(g), F.A.C., the Department is assessing a 50% penalty against your facility, for a total fee of **\$75.00** for calendar year **2002**.

Under Rule 62-213.205(1)(g), F.A.C., failure to timely pay the required annual operation fee, penalty, or interest constitutes grounds for revocation of your Title V Air General Permit. If the fee and penalty are not promptly paid, the Department will proceed to revoke your facility's Title V Air General Permit and will also seek interest in accordance with Section 220.807, F.S.

To submit your \$75.00 payment, please follow the directions on the enclosed invoice form. If you have any questions, you may call Rick Butler at 850/921-9586 or Sandra Bowman at 850/921-9583. Thank you for your prompt attention to this matter.

Sincerely,
