Re: Facility No. 0190052

Dear Mr. Philip:

The Department has received the Title V General Permit Notification Form for the dry cleaning facility that you submitted on October 22, 1997.

Please note that in January of each year the Department will be mailing fee notices to those facilities using the Title V general permit. This annual operation fee is \$50 and it is due and payable between January 15 and March 1 of each year the facility is in operation and is subject to the requirements of the Title V general permit.

If you have or expect to have any changes in your mailing address, location address, responsible official, or phone number, please notify the Department at the following address:

Title V General Permits Office
Bureau of Air Monitoring and Mobile Sources MS 5510
Department of Environmental Protection
2600 Blair Stone Road
Tallahassee, Florida 32399-2400

If there are any changes in the facility status, including change of operating parameters or equipment, or if you have any additional questions regarding the Title V General Permit Program, please contact the District or local air program compliance inspector in your area.

Sincerely,

Dotty Diltz, Chief

Bureau of Air Monitoring and Mobile Sources

TO: Holder of Title V Air General Permit

Our records indicate that, as the owner or operator of an eligible facility, you have claimed entitlement to the use of a Title V Air General Permit under Rule 62-213.300, Florida Administrative Code (F.A.C.).

For your facility to maintain its eligibility for the Title V Air General Permit, Rule 62-213.300(3)(b), F.A.C. states "...the owner or operator of the facility must, upon written notice from the Department, submit payment of an annual operation fee in the amount of \$50.00. This fee is due and payable between January 15 and March 1 of each year for which the facility is in operation and subject to the requirements of this rule and the general permit." This invoice constitutes the Department's written notice, as required under the general permit rule.

Please make your check or money order payable to the Department of Environmental Protection and staple it to the detachable portion of this invoice below. To maintain your facility's eligibility for the general permit, the fee must be received by the Department not later than March 1. Your check and the detachable portion of this invoice below should be mailed to:

FINAL NOTICE OF ANNUAL EMISSIONS FEE VIA: CERTIFIED MAIL WITH RETURN RECEIPT

TO: User of Title V Air General Permit

Records in the Division of Air Resource Management indicate that during calendar year 2000 you owned or operated a facility which is a source of air pollution. You have also claimed eligibility for this facility to operate under a Title V Air General Permit pursuant to Chapter 62-213, Florida Administrative Code (F.A.C.).

As a source of air pollution subject to Title V of the federal Clean Air Act, your facility is required under Section 403.0872, Florida Statutes (F.S.), to pay an annual emissions fee, as established by the Department in Rule 62-213.205, F.A.C. You are also required, under Rule 62-213.300(2)(c)2, F.A.C., to notify the Department in writing of any change in facility status.

The annual emissions fee for your facility is \$50 for calendar year 2000. A notice of your obligation to pay the annual emissions fee was sent to you by first class U.S. mail, along with an invoice form and instructions. If you have already submitted the annual emissions fee in response to that request, please disregard this letter.

If you have **not** yet submitted the annual emissions fee, this notice (with the enclosed replacement invoice) is being sent in accordance with Rule 62-213.205(1)(g), F.A.C., as a reminder that any annual emissions fee not postmarked by March 1, 2001, may be subject to a 50% penalty, plus interest computed in accordance with Section 220.807, F.S. In addition, under Rule 62-213(1)(g), F.A.C., failure to timely pay any required annual emissions fee, penalty, or interest constitutes grounds for revocation of the Title V Air General Permit.

To submit your fee payment, please follow the directions on the enclosed invoice form. If you have any questions, you may call Rick Butler at 850/921-9586 or Sandra Bowman at 850/921-9583. Thank you for your prompt attention to this matter.

Sincerely,

Dotty Diltz, Chief

THIRD NOTICE OF ANNUAL EMISSIONS FEE VIA: CERTIFIED MAIL WITH RETURN RECEIPT

TO: Users of Title V Air General Permits

Records in the Division of Air Resource Management indicate that during calendar year **2000** you operated a facility which is a source of air pollution. You have also claimed eligibility for this facility to operate under a Title V Air General Permit pursuant to Chapter 62-213, Florida Administrative Code (F.A.C.).

As a source of air pollution subject to Title V of the federal Clean Air Act, your facility is required under Section 403.0872, Florida Statutes (F.S.), to pay an annual emissions fee, as established by the Department in Rule 62-213.205, F.A.C. You are also required, under Rule 62-213.300(2)(c)2, F.A.C., to notify the Department in writing of any change in facility status.

Your annual emissions fee is \$50 for calendar year 2000. A notice of your obligation to pay the annual emissions fee was sent to you by certified first class U.S. mail, along with an invoice form and instructions.

This notice (with the enclosed replacement invoice) is being sent in accordance with Rule 62-213.205(1)(g), F.A.C., as a reminder that any annual emissions fee not paid may be subject to a 50 percent penalty, plus interest computed in accordance with Section 220.807, F.S. In addition, under Rule 62-213(1)(g), F.A.C., failure to timely pay any required annual emissions fee, penalty, or interest constitutes grounds for revocation of the Title V Air General Permit. We have not received your air emissions fee payment. Therefore, you are being assessed a 50 percent penalty plus the invoice amount.

To submit your \$75.00 fee payment, please follow the directions on the enclosed invoice form. If you have any questions, you may call Rick Butler at 850/921-9586 or Sandra Bowman at 850/921-9583. Thank you for your prompt attention to this matter.

Sincerely,

Dotty Diltz, Chief

TO: Holder of Title V Air General Permit

Our records indicate that, as the owner or operator of an eligible facility, you have claimed entitlement to the use of a Title V Air General Permit under Rule 62-213.300, Florida Administrative Code (F.A.C.).

For your facility to maintain its eligibility for the Title V Air General Permit, Rule 62-213.300(3)(b), F.A.C. states "...the owner or operator of the facility must, upon written notice from the Department, submit payment of an annual operation fee in the amount of \$50.00. This fee is due and payable between January 15 and March 1 of each year for which the facility is in operation and subject to the requirements of this rule and the general permit." This invoice constitutes the Department's written notice, as required under the general permit rule.

Please make your check or money order payable to the Department of Environmental Protection and staple it to the detachable portion of this invoice below. To maintain your facility's eligibility for the general permit, the fee must be received by the Department not later than March 1. Your check and the detachable portion of this invoice below should be mailed to:

NOTICE OF ANNUAL EMISSIONS FEE VIA: CERTIFIED MAIL WITH RETURN RECEIPT

TO: Users of Title V Air General Permits

Records in the Division of Air Resource Management indicate that you operate a source of air pollution and that you have claimed eligibility for your facility to operate under a Title V Air General Permit pursuant to Chapter 62-213, Florida Administrative Code (F.A.C.).

As a source of air pollution subject to Title V of the federal Clean Air Act, your facility is required under Section 403.0872, Florida Statutes (F.S.), to pay an annual emissions fee as established by the Department in Rule 62-213.205, F.A.C.

Your annual emissions fee is \$50 for calendar year **2000**. A notice of your obligation to pay the annual emissions fee was sent to you by first class U.S. mail, along with an invoice form and instructions. If you have already submitted the annual emissions fee in response to that request, please disregard this letter.

If you have not yet submitted the annual emissions fee, this notice (with the enclosed replacement invoice) is being sent in accordance with Rule 62-213.205(1)(g), F.A.C., as a reminder that any annual emissions fee not received by March 1, 2001, may be subject to a 50% penalty, plus interest computed in accordance with Section 220.807, F.S. In addition, under Rule 62-213(1)(g), F.A.C., failure to timely pay any required annual emissions fee, penalty, or interest constitutes grounds for revocation of the Title V Air General Permit.

To submit your fee payment, please follow the directions on the enclosed invoice form. If you have any questions, you may call Rick Butler at 850/921-9586 or Sandra Bowman at 850/921-9583. Thank you for your prompt attention to this matter.

Sincerely,
