Dear Ms. Yennire Gonzalez:

It was a pleasure to speak with you today regarding the change of ownership application which you have submitted in order to notify and register your Perchloroethylene Dry Cleaner plant as an Air General permitted facility.

Unfortunately, as we discussed, the application must be submitted on the correct and official DEP form. Your form did not contain the reference to **DEP Form No. 62-213.900(2)**, nor the **Effective: 2/24/99** date at the bottom of each page.

Attached, you will find 1) a scanned copy of the completed form which you completed and submitted and 2) a blank copy of the correct DEP form to be used. Please complete the correct form and sign and date. The Responsible Official shown on the form should be the same person who signs and dates the form on the last page.

Please mail the completed, signed and dated form as soon as possible and return via the USPS to the following address:

**FDEP-DARM
Air General Permit Program
BAMMS, MS5510
2600 Blair Stone Road
Tallahassee, Florida 32399-2400**

Below you will also find a link to our website and the complete application package, including the rules and instructions regarding the completion of the form should you want to go directly to our website to obtain a copy of the form.

If you have any questions, comments and/or concerns please e-mail or call.

Thank you and have a great day!
