Dear Mr. Kyong Sin Coe:

Our records indicate your Perchloroethylene Drycleaning Facility Air General Permit (AGP) entitlement is set to expire on 11/3/2011.

Pursuant to the Florida Department of Environmental Protection (FDEP) Rule 62-210.310 or 62-213-300, Florida Administrative Code, your facility is entitled to operate under the AGP Program for no more than five (5) years.

To continue your entitlement, the contact representative can submit a new worksheet containing all current information regarding the facility no later than thirty (30) days prior to the expiration of your facility's current AGP entitlement.

You may obtain a copy of the appropriate worksheet from the FDEP Division of Air Resource Management webpage at:

http://www.dep.state.fl.us/air/emission/air gp.htm

This worksheet is designed to satisfy your registration requirements. Simply click on your industry sector, and then click on the example worksheet and mail to the following address:

FDEP Receipts
PO Box 3070

Please submit the completed worksheet with the processing fee (\$100.00), payable to FDEP.

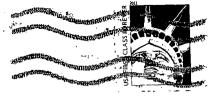

If you need additional information, please contact Douglas Thornton at (800)722-7457 or by email at Douglas. Thornton@dep.state.fl.us
