Dear Mr. Thomas Tamayo,

I have attached a copy of the original Perchloroethylene Air General Permit Notification Form that was submitted by the Responsible Official, Mr. Harry Birbragher for the purpose of renewing your Air General permit.

On pps. 14 & 15, I have highlighted the areas of concern where questions were not answered or answered incorrectly based on other information supplied on the form.

Please provide the answers as soon as possible since we are getting very close to the end of the review period and as I mentioned during our conversation I do not want to have to deny the permit. You may do that simply by responding by e-mail and I will attach our correspondence as an addendum to the application for completeness.

Thank you for your immediate attention to this matter.

Have a great day!

Sincerely,

Dickson E. Dibble
