Dear Mr. Fernando Artamendi,

It was a pleasure to speak with you today regarding your Perchloroethylene Dry Cleaner Air General Permit Notification Form recently submitted by Maria Artamendi. Your form is missing the Signature Page with Maria Artamendi's signature and the date of her signature. Without that page I will be unable to process your notification form.

Below, I have provided two web links either of which you can "click" on and download the form to your computer for printing. The first link is a MS WORD document and the second is ADOBE pdf document

Microsoft WORD document

[http://www.floridadep.org/Air/forms/titlevgp/dep62_213_900\(2\).doc](http://www.floridadep.org/Air/forms/titlevgp/dep62_213_900(2).doc)

ADOBE pdf document

Please have Mrs. Artamendi sign and date the last (signature) page and send back to me as soon as possible to the following address:

I have also attached a pdf file with a copy of the application which Mrs. Artamendi submitted and as you can see there is no signature page included.

If you have any questions, comments or concerns please e-mail or call.

Thank you and have a great day!

Sincerely,
