Subject: Reopen Facility ID 0310223

Mr. Dibble, on 6-19-09 I notified you in writing and requested to place our 9715 East Florida Mining Boulevard, Jacksonville, FL, 32223, ID 0310223, facility on hold until further notice.

We have some future ready mix concrete deliveries scheduled in this vicinity and would like to reopen this facility.

Attached you will find that Mr. Wayne Walker of the FL DEP Jacksonville Division, has been contacted and notified of a VE compliance testing on 2-16-2010.

Please except this letter as notification of our request to reopen this facility before resuming production.

Thank You;

Hank Belcher
Environmental, Health & Safety Director

Subject: Test Notification Preferred Materials, Inc. Florida Mining Blvd Plant ID 0310223

I would like to schedule the following EPA Method 9 Visible Emission Testing:

AIRS ID: 0310223
Facility Name: Preferred Materials, Inc. Florida Mining Blvd. Plant
Date: February 16, 2010
Time: 9:00 AM

We plan to test the following emission points:

West Silo
East Silo
Central Dust Collector

If the number of emission points in the ARMS database does not match our information, or if you want a different number of emission points tested, please let us know.

If you have any questions, or if for some reason this time is unacceptable, please let me know as soon as possible.

Thank you,

Kaye Arlington
