Re: Facility I.D. No. 0310421

Dear Mr. Robinson:

The Department has reviewed your notification form to operate a perchloroethylene dry cleaning facility with a general permit pursuant to Section 62-213.300, Florida Administrative Code. In accordance with the information included in your notification form, it appears that your facility is exempt from this air general permit requirement.

An exemption from this air general permit requirement does not necessarily exempt you from all Department permits. Please contact your nearest DEP district or local program office to determine if any other permits are required. You may also contact the Small Business Assistance Program at 800/722-7457.

Sincerely,

Dotty Diltz, Chief

Bureau of Air Monitoring and Mobile Sources
