Yi,

I would appreciate it if you would assign a new AIRS ID for this facility. The existing facility ID# is 1130165. Please let me know what else we need to do on this end. Thanks, Bruce

This facility has moved from Santa Rosa County to Escambia. The new address is 7500 Sears Blvd, Pensacola, FL 32514. Will this require a new Notification? The reason I ask is that in the past we have just changed the address and kept the same facility number, etc. However, since this is a change to a new county, I expect a new Notification and ID will be required. Will you send one out or I can take on by in the near future. They apparently moved over the holidays are in the process of getting set up now. All I have is the address, no phone yet.

Bruce,

When you receive the new ID # for 1130165, would you make a reference in the comment section that the old ID Number is 11300165? Pat is going to change the number on the most recent file to the new number. She is also going to put the files with the old number with it and will add the new number in parenthesis to the older files..
