Rick Ehrgott is the President of the company and has owned the facility since Feb 2003, so there is no change of ownership. The new facility contact is Michael Fong, General Manager. The RO and FC phone numbers and addresses may be listed as the same as those of the facility (813-719-3936; 104 W Grant St., Plant City, FL 33566).

Jack Smith, Thomas Copack, and Gary Kappes have all left the company and may be deleted from the related party list.

I will send the original correspondence to you in the mail.

Let me know if I can provide any more information. Thank you.

Jason,

Would you be so kind as to send a copy of the correspondence (preferably the original) to me? I need correct addresses, contact phone numbers, Title (such as owner, manager, president, treasurer), etc. to add Mr. Ehrgott.

On the most current (permit) entitlement project #003 in the ARMS permit screen below, Mr. Copak is listed as the applicant and his Title is shown as Vice President. This would indicate that he is an officer of the corporation and possibly an owner. Does this change reflect a change of ownership? If so, then we will need a new registration form.
