Jason,

Good morning!

Yes. You are correct. You verify it, send us the request to change the status of the Facility to INACTIVE and then once completed, I will return an e-mail confirmation to you. Is that your request to change the Facility status to INACTIVE?

Dick

Subject: CHG Engineering Inactivation 0571134

Dick,

Based on two inspections, and our attempts to contact the facility, this facility is shutdown (see attached inspection reports). I believe T'alle is supposed to inactivate GP's in ARMS, correct?

Thanks
