Dear Mr. David Costa,

It was a pleasure to speak with you today regarding your Perchloroethylene Dry Cleaner Air General permit and the renewal process. As I mentioned in our conversation the permit for your dry cleaning facility expired on December 10, 2005. Air General Permits are valid for a period of five (5) years and your last registration was submitted on November 09, 2000.

Below you will find the link to the subject item registration form. You may download and print the form from there. If you are the Responsible Official, please complete the form, print your name, sign your name and date the last page of the form. The form itself begins on page 14 and ends on page 17. Pages 1-13 provide an overview of the rule, and pages 18 thru 19 provide directions for completing the form.

DO NOT SEND MONEY! We have already received your annual fee for the Year 2006, and it has been credited to your account.
