Dear Mr. Swanson:

This is to acknowledge that your notification of intent to use the authority of Rule 62-210.310 to operate your facility was received on November 17, 2008. We have assigned ARMS No. 0710069-003 to this facility.

As you know, pursuant to Florida Statutes section 403.814, authority to operate under general permits commences thirty (30) days after receipt of the registration form unless you have been notified by this office that your facility has not shown entitlement to operate pursuant to the rule provisions.

For your information, authority to operate pursuant to Rule 62-210.310 expires after five (5) years. Therefore, a new registration form must be received no later than five (5) years after the date your notice was received as indicated above. If your general permit rule conditions require testing, such testing must be completed within the time frame specified in the rule.

If you have any additional questions, please contact Dickson Dibble at 850/921-9586.

Sincerely,

Sandra F. Veazey, Chief
Bureau of Air Monitoring
and Mobile Sources

HUMAN CREMATORY
AIR GENERAL PERMIT REGISTRATION FORM

Part II. Notification to Permitting Office
(Detach and submit to appropriate permitting office; keep copy onsite)

Department of Environmental Protection
Mobile Sources

Instructions: To give notice to the Department of an eligible facility's intent to use this air general permit, the owner or operator of the facility must detach and complete this part of the Air General Permit Registration Form and submit it to the appropriate Department of Environmental Protection or local air pollution control program office which has permitting authority. Please type or print clearly all information, and enclose the appropriate air general permit registration processing fee pursuant to Rule 62-4.050, F.A.C. (\$100 as of the effective date of this form)

0710069-003

Registration Type

Check one:

INITIAL REGISTRATION - Notification of intent to:

Construct and operate a proposed new facility.

Operate an existing facility not currently using an air general permit (e.g., a facility proposing to go from an air operation permit to an air general permit).

RE-REGISTRATION (for facilities currently using an air general permit) - Notification of intent to:

Continue operating the facility after expiration of the current term of air general permit use.

Continue operating the facility after a change of ownership.

Make an equipment change requiring re-registration pursuant to Rule 62-210.310(2)(e), F.A.C., or any other change not considered an administrative correction under Rule 62-210.310(2)(d), F.A.C.

Surrender of Existing Air Operation Permit(s) - For Initial Registrations Only

If the facility currently holds one or more air operation permits, such permit(s) must be surrendered by the owner or operator upon the effective date of this air general permit. In such case, check the first box, and indicate the operation permits being surrendered. If no air operation permits are held by the facility, check the second box.

All existing air operation permits for this facility are hereby surrendered upon the effective date of this air general permit; specifically permit number(s): _____

No air operation permits currently exist for this facility.

Permit No. 0710069-002-AG
Effective Date: December 18, 2003
Expiration Date: December 18, 2008

Dear Mr. Gilstad:

This letter is to advise you that the Department has received your Air General Permit Notification Form as established under Rule 62-210.300(4)(c)3., Florida Administrative Code for human crematories. A human crematory may use this air general permit provided the facility meets the eligibility criteria set forth in the rule and, throughout the term of the general permit, complies with the terms and conditions of the general permit.

Please be advised that you are required to abide by all conditions and restrictions set forth in Rule 62-4.540, F.A.C., and certain other requirements set forth in the air pollution control rules of the Department are "general permit conditions" and are binding upon the owner or operator of the facility utilizing the human crematory air general permit.

Your Air General Permit will be effective on **December 18, 2003** and will expire on **December 18, 2008**; therefore visible emissions testing shall be performed annually between **September 18th** and **November 18th**.

Sincerely,

Ronald D. Blackburn
