Haven't heard from you re-gaurding so I figured I better contact you.

Primary concern - Boner's 60 minute Cleaners

This is the one you and I have discussed in the past - Former Tant 60 minute receipts show 120 gallons perc. but He and I discussed permitting him as a large Area source due to Area he is in, past history of plant, the fact that he is close and meeting Large Area requirements anyway. Don't know if I specified on the notification so I figured I had better fill you in before you determine him to be a small area source. Just trying to get a heads up on him having to submit a request for the upgrade when he does go over 140gallons. Bye Bye
