Dick,

Chris Bradley forwarded this message to me, so I went to Touch of Class two days ago. There is no dry cleaning facility there anymore; now this is a location for a restaurant (see attached photo). By the way, the address that is in ARMS is slightly different than the actual address: ARMS has 8420 N Lockwood Ridge Rd, Sarasota, FL **34236**, while the actual address is 8420 Lockwood Ridge Rd, Sarasota, FL **34243**.

I entered this as a drive-by inspection in ARMS saying that the facility is shut down. If you need more information, please contact me.

Thanks,

Cindy,

Hope all is well with you!

Would you be so kind as to help us with verifying the existence or non-existence of the above facility? The above facility has a Sarasota address, but according to Susan Cameron of Sarasota County the facility is actually located in Manatee County.

Our ARMS data base indicates that the status of this facility is ACTIVE. However, the permit expired on 10/18/2006 and we keep getting our mail-outs returned as UNDELIVERABLE or INSUFFICIENT ADDRESS. When I checked in ARMS, under compliance activity it revealed that there has been no activity since 2002. I tried calling phone numbers on the account and I get a residence on one and no response on the other. I then proceeded to call INFORMATION, got another dry cleaner with the same site name (different location/different company name). The manager at that facility indicated that the facility in question, she believes, is out of business and was closed down 4 or 5 years ago, and the building may have even been demolished.

4/27/2007

Is there some way that we could verify this? If so, I can then proceed to INACTIVATE the facility.

Thank you for any assistance that you may be able to render.

Have a great day!

Dick

NOTICE OF PAST DUE

2006 ANNUAL EMISSIONS FEE

To: Users of the Title V Air General Permit

Previously, two notices of your obligation to pay the annual emissions fee have been sent to you by first class U.S. mail, including an invoice form with payment instructions. Your annual emissions fee of \$50 for the calendar year **2006** was due and payable on, or postmarked no later than, **March 1, 2007**. **If you have already submitted payment, please disregard this notice.**

This notice (with the enclosed replacement invoice) is being sent in accordance with Rule 62-213.205(1)(g), Florida Administrative Code (F.A.C.), as a reminder that any annual emissions fee not paid may be subject to a 50 percent penalty, plus interest computed in accordance with Section 220.807, Florida Statutes (F.S.). In addition, under Rule 62-213(1)(g), F.A.C., failure to timely pay any required annual emissions fee, penalty, or interest constitutes grounds for revocation of the Title V Air General Permit. According to our records, we have not received your air emissions fee payment. Therefore, you are being assessed a 50 percent penalty plus the invoice amount of \$50.00, for a **total amount of \$75.00**.

Records in the Division of Air Resource Management indicate that during calendar year **2006** you operated a facility which is a source of air pollution. You have also claimed eligibility for this facility to operate under a Title V Air General Permit pursuant to Rule 62-213, F.A.C.

As a source of air pollution subject to Title V of the federal Clean Air Act, your facility under Section 403.0872, F.S., is required to pay an annual emissions fee, as established by the Department in Rule 62-213.205, F.A.C. You are also required, under Rule 62-213.300(2)(c)2, F.A.C., to notify the Department in writing of any change(s) in facility status.

To submit your **\$75.00 fee payment**, please follow the directions on the enclosed invoice form. If you have any questions, you may call Dick Dibble at 850/921-9586 or Sandra Bowman at 850/921-9583. Thank you for your prompt attention to this matter.
