LETTER OF NONCOMPLIANCE

TO:

Our records indicate that you have previously claimed entitlement to use a Title V Air General Permit under Rule 62-213.300, Florida Administrative Code (F.A.C.), as the owner or operator of an eligible facility. However, if one or more of the following events has occurred, you are no longer eligible to operate under the Title V Air General Permit. Department records currently indicate that your facility is not in compliance with the item(s) checked below:

- 1) The facility has a new owner or operator (Rule 62-213.300(3)(a), F.A.C.).
- 2) The annual emissions fee for your facility has not been received by the Department (Rule 62-213.300(3)(b), F.A.C.).
- 3) The annual Compliance Certification for your facility has not been filed with the Department (Rule 62-213.300(3)(n), F.A.C.).

If your facility is to continue to operate under the Title V Air General Permit, the condition(s) referenced above must be corrected. Please call our Division for assistance--either **Sandra Bowman at 850/921-9583** or **Rick Butler at 850/921-9586**.

The terms and conditions stated in the Title V Air General Permit continue to apply whether or not the facility is still operating. The Responsible Official (RO) is considered to be responsible for the permitted facility until the permit is surrendered, including any violations or payment of fees. If you wish to give up your eligibility to use the Title V Air General Permit, please sign and return this form in the enclosed self-addressed envelope. This will remove your name from our annual billing list used to notify when Title V permit fees are due.

I am the Responsible Official for the facility identified above and hereby notify the Department that I surrender the Title V Air General Permit for that facility.
