Subject: Loew's Hotels; Surrender of AC permit AIRS ID# 0951290-003-AC thru 006-AC migrating to AIRS ID# 0951290-007-AG

John & Ilka,

As of today, August 6, 2010, the subject item facility has migrated from the individual Air Construction (AC) permit(s) (AIRS ID# 0951290-003-AC thru 006-AC) as an initial entitlement under the Air General (AG) permit registration program AIRS ID# 0951290-007-AG.

As required by Rule 62-213.300(2)(a)2., F.A.C., - *Title V Air General Permits – General Procedures – Eligibility Determination*

2. Any facility that would use a Title V air general permit under this rule must surrender all existing air permits authorizing the operation of the facility.

According to Jonathan Holtom there is an established protocol to accomplishing that surrender process.

Please call him if you have any questions in that regard.

Thank you and have a great weekend!

Sincerely,

Dick
