Subject: Termination of Air General Coverage Hanson Pipe Kissimmee

Dickson,

Per our telephone conversation on February 29th, please find attached Hanson's letter requesting termination of coverage of the Concrete Batch Plant Air General Permit at the Kissimmee facility. I have included Ms. Tracy Agner of FDEP Central District as part of this notification as she has been my contact at the local air quality program for the Kissimmee facility.

If you have any questions, please feel free to contact me.

Thank you again,

**RE: Concrete Batch Plant Air General Permit Notice of Termination
Hanson Pipe & Precast SE, Kissimmee - Permit No. 0970004-002-AG**

Dear Mr. Dibble:

Hanson Pipe & Precast SE, Inc. (Hanson) has ceased production operations at the Kissimmee Pipe Plant located at 1150 Joelson Road, Kissimmee. (See attached.) Hanson has removed the mixers and silo at the facility in preparation for the sale of the property. The remaining staff at the facility is only utilized for the loading of existing concrete products remaining from the previous operations. Hanson would like this letter to serve as a request for the termination of coverage under the Air General Permit for the facility listed above.

If you have any questions or comments, please do not hesitate to contact me at (863) 421-7422.

Sincerely,

Hanson Building Products America
