Subject: RE: Concrete Batching Plant AGP Re-Registration for Maschmeyer Concrete Co., 4870 E Irlo Bronson Memorial Hwy, St. Cloud, FL 34771

Dear Mr. Tucker,

Thank you for your e-mail and your request to retract your most recent registration form for the subject item facility.

Your assessment of the Air General Permit process is correct. Since the current Maschmeyer Concrete Company's entitlement (ARMS# 0970082-002-AG) is valid and has an expiration date of June 22, 2015, there is no need to re-register at this time.

Due to the volume of my work, I had not yet begun the processing and review of your registration form. Therefore, I will make every effort to make application to our Finance & Accounting Division for a refund of your Air General Permit Registration and processing fee of \$100.00. Bear with us as we go through this process as it may take some time.

If you have any questions, comments or concerns please e-mail or call.

Sincerely yours,

Dickson E. Dibble

Subject: FW: Air General Permit Re-Registration

Dear Mr. Dibble,

Please be advised that an error was made on my part in regards to the attached request for the Air General Permit Renewal. Since this is the first time doing an air general permit renewal stemming from a transfer of ownership, an error occurred. I thought the transfer of ownership approval meant that we were going to continue to operate under the previous Concrete Batch Plant Owners Air General Permit #0970082-001 and therefore thought the permit expired December 2010. It has come to my attention that when a Transfer of Ownership is done, a whole new permit is issued. It appears our permit number is actually 0970082-002, which would indicate an expiration date of June 22nd, 2015. If the Maschmeyer Concrete Company permit is good until June 22nd, 2015 then I would like to retract the request for permit renewal for permit #0970082-001 and ask for a refund of the \$100 application fee. I apologize for any inconveniences this may have caused you and the FDEP.

Thank you very much for your help.

Respectfully,

Bob Tucker,
Maschmeyer Safety, Health & Environmental Mgr.

Subject: Air General Permit Re-Registration

Dear Mr. Dibble,

I hope all is well. Please find an attached copy of the air general permit for the Maschmeyer Concrete Company St. Cloud Plant due on November 8th, 2010 per 30 days prior expiration of the existing air general permit. The hard copies with a check in the amount of \$100 was sent via Fed Express on Friday November 5th, 2010 and should have arrived to you early this morning. Please let me know if there was any problems.

If I don't have a chance to speak to you, I'd like to wish you the very best the upcoming holidays have to offer.

Take care and God Bless,

Bob
