Jeff,

Per your request, I have changed the subject item facility status to INACTIVE.

It is customary that the owner/RO (in this case Mr. Marzan) notify us in writing of the changes to his facility, to the effect that the location is now used as a "drop-store" only, and that the machine (s) and PERC have been removed from the facility.

For our records, would you be so kind to contact Mr. Marzan, and request that he send us a letter to that effect so that we can place it in our files?

Thank you for attention in this matter.
