Re: 1996 Title V General Permit Fees

Dear Business Owner:

Rule 62-213.300, F.A.C., requires the Department to provide written notice to facilities to submit payment of an annual operation fee of \$50. The fee is due and payable annually between January 15 and March 1 for the preceding year during which the facility was in operation and subject to the requirement of the rule and general permit.

Initial fee invoices were mailed January 7. This was followed by a second invoice sent by certified mail on February 15. As of this date, our records indicate that your payment has not been received.

For your convenience, an invoice is enclosed. Please return the bottom portion of the invoice along with your payment.

If you have any questions concerning your payment, please contact Sandy Bowman or Marnie Brynes at 904/488-6140.
