To: Users of the Title V Air General Permits

Records in the Division of Air Resource Management indicate that you have claimed eligibility for your facility to operate under a Title V Air General Permit pursuant to Chapter 62-213, Florida Administrative Code (F.A.C.).

As a source of air pollution subject to Title V of the Federal Clean Air Act, your facility is entitled to operate for no more than five (5) years with a permit under Section § 403.0872 Florida Statutes (F.S.). Rule 62-213.300, F.A.C., establishes that the duration of the permit is for five (5) years, and no later than thirty (30) days prior to the fifth anniversary of the filing of intent to use this general permit, the responsible official shall submit a new notice of intent which shall contain all current information regarding the facility.

The enclosed notification form is for your convenience if you wish to maintain your eligibility. **As the Responsible Official (R/O) for this facility, please complete the form, sign your name, date it, and submit it to the following address:**

**Air General Permits Section
Bureau of Air Monitoring and Mobile Sources, MS5510
Department of Environmental Protection
2600 Blair Stone Road
Tallahassee, Florida 32399-2400**

It is important to note that facilities not in compliance with the conditions of their existing Title V Air General Permit may not be eligible to use a new air general permit after the existing authority period expires. Such facilities will be required to make application for an Air Operating Permit as a major source under Title V. It is very important for facilities to assure that they are now in compliance with their air general permit conditions to avoid this costly situation.

IMPORTANT

A facility is eligible to operate under a Title V Air General Permit for no more than five (5) years. Your facility is approaching the end of the five (5) year period for which it was entitled to operate under the Title V Air General Permit.

NEW OWNER? If you are a **NEW OWNER**, please check this box and return this page with your completed Air General Permit Notification Form.

NEW RESPONSIBLE OFFICIAL? If you are a **NEW RO**, and/or your existing business has moved to a new location, please check this box and return this page with your completed Air General Permit Notification Form.

- If you wish to continue your entitlement, please complete the enclosed Air General Permit Notification Form, making certain that it is **signed by the Responsible Official (RO), properly dated and mailed to the following address:**

**Air General Permits Section

- If you do not wish to continue with your eligibility, please disregard this notice.
- A fee is **NOT** required with the notification form.
