Jeff,

Per your e-mail request dated 01/12/09 and based on inspection verification, I have changed the status of the following facility to INACTIVE.

The complete text of my remarks in the facility screen comment section is as follows:

01/12/09-Status to INACTIVE PER J.Dizek e-mail dated 01/12/09 & PERC machine has been removed, verified by on-site inspection.

Screenshot of Oracle Enterprise Applications interface showing facility details for 'WELLINGTON LAUNDRY & CLEANERS'. The status is 'INACTIVE'. The comment field contains: '09-Status to INACTIVE PER J.Dizek e-mail dated 01/12/09 & PERC machine has been removed, verified by on-site inspection.'

Have a great day!

Dick
