Jennifer,

I have just received a Perchloroethylene Dry Cleaner **Air General Permit** registration form for a change of ownership and renewal and included in the packet was check #099 in the amount of \$100.00.

Since we currently don't have a registration fee associated with the Air General permit program, I called the facility to try to determine the purpose of the fee. I talked with the Facility Contact, Karen Gilmore and after some discussion we ascertained that the purpose of the check was to pay for the Div. of Waste sticker in order to allow the facility to purchase their Perchloroethylene supplies. I have attached a .pdf file that includes a copy of our registration form which includes the new owner contact information for your reference and a copy of the check, the original of which I will be forwarding to you.

If you have any questions, comments, or concerns please e-mail or call.

Thank you and have a great day!

Dick
