Ms. Connie Brooks
SPCA Tampa Bay
9099 130th Avenue North
Largo, Florida 33773-1403

Dear Ms. Brooks:

This is to acknowledge that your notification of intent to use the authority of Rule 62-210.310 to operate your facility was received on April 14, 2008. We have assigned ARMS No. 1030020-005 to this facility.

As you know, pursuant to Florida Statutes section 403.814, authority to operate under general permits commences thirty days after receipt of the registration form unless you have been notified by this office that your facility has not shown entitlement to operate pursuant to the rule provisions.

For your information, authority to operate pursuant to Rule 62-210.310 expires after 5 years. Therefore, a new registration form must be received no later than 5 years after the date your notice was received as indicated above. If your general permit rule conditions require testing, such testing must be completed within the time frame specified in the rule.

If you have any additional questions, please contact Dickson Dibble at 850/921-9586.

Sincerely,

Sandra F. Veazey, Chief
Bureau of Air Monitoring
and Mobile Sources

SFV/pg

cc: Mr. Gary Robbins, Pinellas County

ANIMAL CREMATORY
AIR GENERAL PERMIT REGISTRATION FORM

Part II. Notification to Permitting Office

(Detach and submit to appropriate permitting office; keep copy onsite)

Instructions: To give notice to the Department of an eligible facility's intent to use this air general permit, the owner or operator of the facility must detach and complete this part of the Air General Permit Registration Form and submit it to the appropriate Department of Environmental Protection or local air pollution control program office which has permitting authority. Please type or print clearly all information, and enclose the appropriate air general permit registration processing fee pursuant to Rule 62-4.050, F.A.C. (\$100 as of the effective date of this form)

1030020-005

Registration Type

Check one:

INITIAL REGISTRATION - Notification of intent to:

Construct and operate a proposed new facility.

Operate an existing facility not currently using an air general permit (e.g., a facility proposing to go from an air operation permit to an air general permit).

RE-REGISTRATION (for facilities currently using an air general permit) - Notification of intent to:

Continue operating the facility after expiration of the current term of air general permit use.

Continue operating the facility after a change of ownership.

Make an equipment change requiring re-registration pursuant to Rule 62-210.310(2)(e), F.A.C., or any other change not considered an administrative correction under Rule 62-210.310(2)(d), F.A.C.

Surrender of Existing Air Operation Permit(s) - For Initial Registrations Only

If the facility currently holds one or more air operation permits, such permit(s) must be surrendered by the owner or operator upon the effective date of this air general permit. In such case, check the first box, and indicate the operation permits being surrendered. If no air operation permits are held by the facility, check the second box.

All existing air operation permits for this facility are hereby surrendered upon the effective date of this air general permit; specifically permit number(s): _____

No air operation permits currently exist for this facility.

General Facility Information

Owner/Authorized Representative Statement

This statement must be signed and dated by the person named above as owner or authorized representative

I, the undersigned, am the owner or authorized representative of the owner or operator of the facility addressed in this Air General Permit Registration Form. I hereby certify, based on information and belief formed after reasonable inquiry, that the facility addressed in this registration form is eligible for use of this air general permit and that the statements made in this registration form are true, accurate and complete. Further, I agree to operate and maintain the facility described in this registration form so as to comply with all applicable standards for control of air pollutant emissions found in the statutes of the State of Florida and rules of the Department of Environmental Protection and revisions thereof.

I will promptly notify the Department of any changes to the information contained in this registration form.

Signature

Date

Design Calculations

If this is an initial registration for a proposed new animal crematory unit, provide design calculations to confirm a sufficient volume in the secondary chamber combustion zone to provide for at least a 1.0 second gas residence time at 1800 degrees F.

- Manufacturer's' design calculations attached.
- Registration is not for proposed new animal crematory unit(s).

Description of Facility

Below, or as an attachment to this form, provide a description of all crematory operations at the facility in sufficient detail to demonstrate the facility's eligibility for use of this air general permit and to provide a basis for tracking any future equipment or process changes at the facility. Describe all air pollutant-emitting processes and equipment at the facility, and identify any air pollution control measures or equipment used.

The facility has an existing air general permit for Animal Crematories, permit number 1030020-004-AG. The facility operates an "Industrial Equipment & Engineering Company, Model IE43-PJ crematory, with a design maximum design batch load of 300 pounds. The minimum operating temperature is 1,600 degrees Farenheight.

Re: Permit No. 1030020-005-AG

Dear Mr. Dibble:

Please be advised the Elizabeth Lockwood is no longer the contact person at SPCA Tampa Bay regarding the above permit for operation of the animal crematory at 9099 130th Ave. N., Largo, FL.

In the future, please direct all correspondence to the following individuals regarding SPCA Tampa Bay's permit:

Nora Hawkins
Interim Executive Director
(727) 586-3591, ext 112

Connie Brooks
Director of Operations
(727) 586-3591, ext 137

I understand that this permit is valid through May 15, 2013.

If you have any questions or require any additional information, please do not hesitate to contact Ms. Brooks or myself.

Sincerely,

Nora Hawkins
Interim Executive Director

Dear Ms's. Francisco and Hawkins,

Thank you for your web inquiry of April 7, 2010 regarding where and to whom you should send a request to change contact information on the subject item facility.

Your letter request dated April 8, 2010 to change contact information was actually received by this office yesterday, Monday April 12th and processed today. Elizabeth Lockwood has been removed as the Owner/Authorized Representative and the name of Nora Hawkins is currently listed as her replacement.

Ms. Connie Brooks will continue to remain listed as the Facility Contact.

If you have any questions, comments or concerns please e-mail or call.

Thank you and have a great day!
